

# Construction Update: Week of Sept. 13, 2021

Traffic control planned on Highway 111, weather permitting.

Flaggers will be assisting motorists through the construction area.

## Traffic Control Highway 111 near Avenue 66

Sunday through Thursday nights | Sept. 12-16 | 7 p.m. to 4 a.m. the next day

 Flaggers will be assisting motorists through the construction area. Please plan for delays or use an alternate route.

### Construction update

- The new traffic pattern is in place at Lincoln Road and Avenue 66. Please travel with caution in the area.
- Waterline and electric work continues throughout the project area.
- The sound wall at Dale Kiler Road and Avenue 66 is up; backfill and sidewalk construction is planned in the coming weeks.
- Culvert and drainage work continues throughout the project area.

 Traffic control will be in place and a flagger will assist motorists through the closure. **Please plan for delays.** The lane closures are necessary so crews may safely remove the bridge falsework.
