

Construction Update: Week of Sept. 7, 2021

Nighttime road closures on Highway 111 continue this week.

New traffic pattern on Avenue 66 near Lincoln Street.

No work scheduled on Sept. 6 for Labor Day holiday.

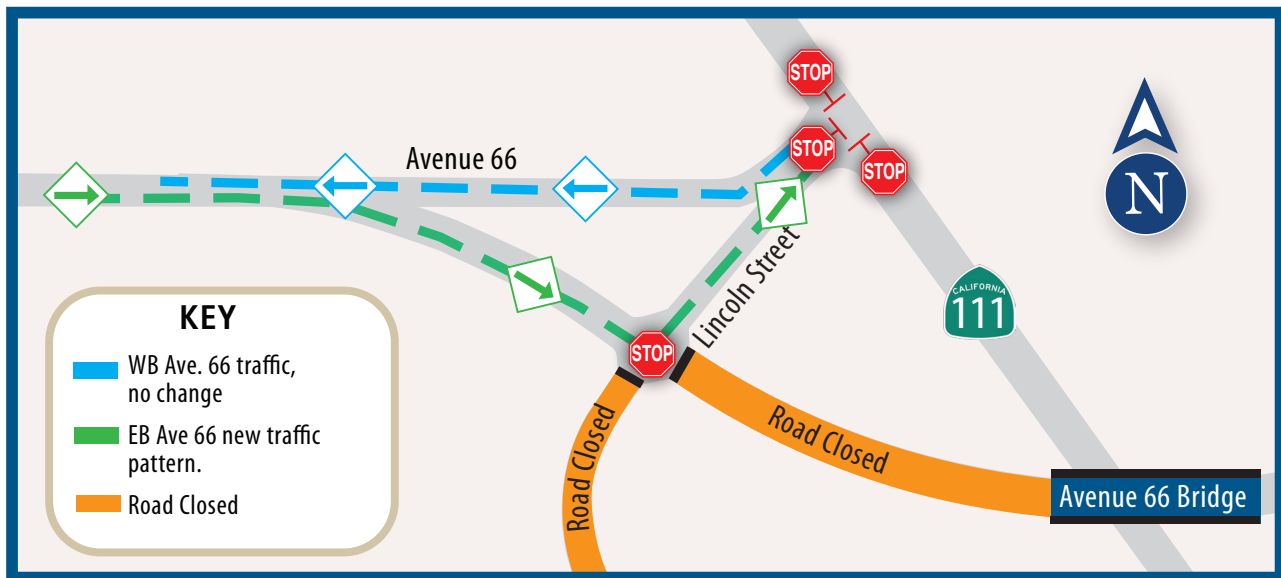

Highway 111 Full Road Closure

- Tuesday through Friday nights.
Sep. 7 - Sept. 10 | 7 p.m. to 4 a.m.
- Full road closure on Highway 111, weather permitting. Please use signed detour on Hammond Road.

New Traffic Pattern on EB Avenue 66 near Lincoln Street

- Wednesday night.
Sep. 8 | 7 p.m. to 4 a.m.

 Please watch for trucks entering and exiting at multiple locations. Closures may change due to weather and field conditions.

On eastbound Avenue 66, motorists will travel onto the newly built road that connects with Lincoln Street and the Avenue 66 bridge. Stop signs will be in place and traffic will turn left onto the new Lincoln Road, then connect with Highway 111 to travel north or south. Southbound Lincoln Road and the new road to the bridge remain closed.

This is a temporary traffic change while the intersection and the traffic signal at the new road and Lincoln Street is completed.
